The image shows a login form titled "Members Login" for the "Newbury Camera Club". The form includes a "Members log in here" link. There are two input fields: "Username" and "Password", both of which are highlighted with a blue rectangular border. Below the input fields is a "Remember me" checkbox, which is also highlighted with a blue arrow pointing to it. A "Login" button is located below the checkbox. At the bottom of the form, there are two links: "Forgot login?" and "Register".

When you have logged into the website you will be taken directly to the **Home** page (as shown in the example below)

Things to note are that you will now be able to see an extra tab called **Members Only** and **FAQ**. These are only available to registered members of the club and the website. The general public CANNOT see these or the contents on them.

From the members tab you can send **Private Messages** to each other, take part in the **Forums** or add pictures to your own **Image Gallery**

There are also additional boxes to enable you to **Update Your Details** and also see **Who is Online**

When you are finished, try to remember to log out, but don't worry if you forget. If there is no activity then you will automatically be logged out after 15 minutes
